

**Online tools available to assist in monitoring
USDA Foods inventory levels in Texas.**

Inventory Management

DASHBOARDS

- Monitor and track activity
- Identify high inventory levels

CE Warehouse Inventory

Designed to assist in monitoring and tracking Allocations and Shipments. Provides tables to represent monthly and cumulative balances. Trends and storage type are illustrated by graphs to better utilize commodities.

Further Processing

Designed to offer a State perspective in evaluating USDA Foods for further processing inventory levels. Displays processing account balances with usage rates separated into eight categories. User can identify high inventory levels for further evaluation of usage compliance. Processor monthly inventory levels are determined by School District usage rates.
