Date: May 27, 2009                      Reference: # CACFP ADC 2009-11
To: Child and Adult Care Food Program-Adult Day Care (CACFP ADC) Contractors
Subject: Rescission of Policy Alert CACFP ADC 2009-08, Amended Claims
Effective Date: Immediately

Purpose
RESCIND Policy Alert CACFP ADC 2009-08, Amended Claims

Implementation
Immediately

Procedure
Policy Alert CACFP ADC 2009-08, Amended Claims was intended to increase the number of complete and accurate initial monthly claims submissions. The intent was NOT to limit the number of allowable amended claims, as it is the policy of this agency that amendments should be filed when it is discovered that a claim requires an upward or downward adjustment. Efforts to minimize the number of claim amendments and to ensure all submissions for claims are accurate and complete do not conflict with that policy. However, to avoid confusion on the policy’s intent, the Texas Department of Agriculture Food and Nutrition Division is rescinding the policy and will conduct further analysis on causes of incomplete or inaccurate claims submissions. Contractors should continue following the amended claim process previously outlined in the Handbook.
