* For crediting as a Grain/Bread Component, Food and Nutrition Services (FNS) Child Nutrition Programs require 1) all grains/breads items must be enriched or whole grain, made from enriched or whole-grain and/or flour. If using a cereal, it must be whole-grain, enriched or fortified. Bran and germ are credited the same as enriched or whole-grain meal or flour; 2) the exact or minimum amount of creditable grains must be documented to assure that 14.75 grams of creditable grains equals one grains/breads serving. Grains/Breads may be credited in ¼ serving increments. See FNS Food Buying Guide: revised November 2001.
