NOTICE

Date: July 16, 2008
Reference: # CACFP CCC 2008-5
To: Child and Adult Care Food Program-Child Care Centers (CACFP CCC) Contractors
Subject: Daily Infant Food Record

Purpose

Notify contractors of the availability of Food and Nutrition Division’s (FND) approved alternate to Form H1530-A, Daily Meal Production Record for Infants.

Background

Several contractors have attended the Texas Department of Agriculture (TDA) FND training titled “Feeding Infants – During the First Year”. In this class, the Daily Infant Food Record, an alternative to Form H1530-A, was introduced.

Procedure

Due to its popularity, TDA has made the Daily Infant Food Record, which was developed for the “Feeding Infants – During the First Year” training, a universally approved alternate form. Contractors can use the TDA Daily Infant Food Record in lieu of Form H1530-A without seeking approval from their Food and Nutrition Field Operations Office.

Contractors who choose to use this alternate form must submit it with any other approved alternate forms during the yearly application process.

Contact

If you have any questions, please contact your Food and Nutrition Field Operations Office.
