NOTICE

Date: August 2, 2010
Reference: # CACFP DCH 2010-05
To: Child and Adult Care Food Program Day Care Home (CACFP DCH) Sponsors
Subject: Departments of Agriculture and Commerce Authorized Manufacturers of Child Nutrition (CN) Labeled Products

Purpose: NOTIFY contractors of lists of manufacturers and products that meet the Food and Nutrition Service’s (FNS) Quality Control Program requirements for the CN Labeling Program.

Procedure: The United States Department of Agriculture (USDA) has made lists available of authorized CN labels issued to manufacturers since January 2005, on the FNS CN Labeling Program website.

The web address for the FNS CN Labeling Program is:

http://www.fns.usda.gov/cnd/cnlabeling/authorized.htm

The website provides links to manufacturers and products that have met the Quality Control Program requirements for the CN Labeling Program, which includes the United States Department of Commerce’s (USDC) seafood inspection program and the Food Safety and Inspection Service inspection directory for meat, poultry and eggs. The lists are updated monthly.

The web address for this website will be added to Item 4114.1, CN Labeling, in your handbook.

For additional information on the CN Labeling Program and how it can be used in meeting meal pattern requirements, see Appendix C of your Food Buying Guide, also available online at

Contact: If you have any questions please contact your Community Operations office.
