The National School Food Management Institute (NFSMI) has developed a resource to assist School Food Authorities (SFAs) when implementing the required Hazard Analysis Critical Control Point (HACCP) principles. This new resource is titled “HACCP-Based Standard Operating Procedures (SOPs)”.

This resource can be accessed two ways:

- Visiting the NFSMI website at http://sop.nfsmi.org/HACCPBasedSOPs.php.
- Visiting the Special Nutrition Programs (SNP) website at www.snptexas.org and selecting the “Program Resources” link.
