NOTICE

Date: October 20, 2006
To: Texas Commodity Assistance Program (TEXCAP) Contractors
Subject: New Notice

Reference: # TEXCAP 2007-1

Purpose
The Special Nutrition Programs (SNP) Notice has been redesigned for Program Year 2007. The new design, which changes only the borders of the document and the style of the word “Notice,” should help distinguish the Notice from a Policy Alert.

Information presented in the Notice will still be divided into sections such as “Purpose,” “Background,” “Resources,” “Contact”; or may be presented in a question-and-answer format.
