

ESC Training Calendar Beginning March 9, 2009

The courses shown below represent the training sessions scheduled by the Educational Service Centers (ESCs) across the State of Texas. If you would like to get additional information about any of the training sessions please contact the person shown in the **For Information** block. Some training may be offered for local regions only, and seating may be limited.

Fees may be charged for attending any of these courses. Please ask about attendance fees when you register for each course.

These training sessions are provided by your local Educational Service Centers with funding provided by the USDA and Texas Department of Agriculture.
