

If your school food authority will not be able to provide meal service during the event of an H1N1 school closures and you will not be requesting a Waiver, is there an organization(s) in your community that could provide meal service to students? If so, please provide the following information to the Texas Department of Agriculture:

Name of Organization

Address of Organization

Telephone Number of Organization

Contact Person

Please return this information via e-mail at H1N1@TexasAgriculture.gov or by fax at 888-203-6593.
