

Food Service Management Company (FSMC) Contract Review Form Instructions

School Food Authorities (SFAs) must use this form to oversee and manage the Child Nutrition Programs (CNP) and assess the FSMC's performance according to the contract, rules, and regulations.

Purpose

The SFA is responsible for ensuring the FSMC operates the program according to the contract and in compliance with all regulations and guidance. Contracting with an FSMC does not release the SFA from any responsibilities for the School Nutrition Programs (7 CFR 210.16).

The review must be conducted by the SFA employee responsible for oversight of the FSMC contract or SFA designee. An FSMC employee cannot complete this form on behalf of the SFA. The SFA designee must understand the terms of the contract and have CNP knowledge. For additional FSMC guidance, see NSLP Handbook: Administrator's Reference Manual Section 18.

Frequency

This form must be completed once a semester (2 times per year) for one site and be available for review by TDA upon request. The SFA must review a different site type (Elementary School, Middle School, High School, etc.) each semester.

Record Retention

Public and charter schools are required to keep documentation related to CNP for five years after the applicable program year. Private schools, other nonprofit organizations, and residential childcare institutions (RCCIs) are required to keep documentation for three years after the applicable program year. Completed forms must be kept onsite and made available on request.
