

Smart Snacks in Schools

(All Foods Sold in Schools)

Smart snacks in schools is a collaborative effort between the USDA and the US Dept of Education. This cooperative strategy extends to the school level where school food service professionals, school administrators, teachers, sports teams, clubs and parent organization work to create healthier communities. Smart Snacks supports healthy living and learning with standards for foods and beverages sold in schools during regular campus hours.

Smart Snack Objectives

- Establish guidelines that limit calories and specific nutrients in food and beverages
- Ensure food and beverages offer nutritional benefits
- Set appropriate standards for individual age/grade group
- Create flexibility for local and state oversight

When do competitive foods regulations apply?

Food and/or beverages sold during the school day on the school campus.

- School Day: the period from the midnight before the beginning of the official instructional day to 30 minutes after the end of the official instructional day
- School Campus: all areas of the property under the jurisdiction of the school that are accessible to students during the school day

FUNDRAISERS

Schools may have up to six fundraiser (6) days per school year per campus that do not meet the competitive food nutrition standards. Food and/or beverages sold during an exempt fundraiser must not be sold in competition with school meals in the food service area during school meal service. Concession stands must meet smart snack standards if the sale occurs during the school day.
