Ordering Updates

Ordering Updates Round 1

Ordering for Round 1 is now complete.

- Utilize WBSCM to access your Requisition Status Report. This report will provide details about the items successfully ordered and their expected delivery dates to the warehouse.
- Refer to squaremeals **WBSCM Resources** to understand changes in the Sales Order status of your requisitions.
- Reminder that final processing allocations will be complete in July after redistribution. Poultry could be negatively impacted.

Cancelled Requisitions

March - April 2025: Requisitions cancelled during this time are due to the following reasons:

- Direct Delivery to State Contracted Warehouse
 - Not enough demand to create a truckload
- Processing Diversion
 - Not enough demand to create a truckload
 - Plan to offset requests with carryover inventory in July.

Round 2 Deadlines PY-26

April 30 – May 23: Round 2 catalogs will open for **Direct Delivery**.

- The WBSCM catalog will display only October and January delivery periods, aiming to consolidate demand and enable full truckload shipments.
- Log into WBSCM to view your Entitlement/Bonus Summary report and remaining balance.
- Compare requests from Round 1 with plans for Round 2 to avoid excess inventory and storage challenges.

PY25 DoD Fresh

- **Reminder:** All deliveries must be receipted within two business days per USDA guidelines.
- Currently, all funds are allocated and are being drawn down efficiently, with excellent utilization by schools.
- DoD additional fund requests depend on state-level fund availability and are processed on a first-come, first-served basis
- If you have submitted a request but have not received additional funds, it is due to a lack of available funds at the time and is pending future availability.

PY25 SFSP

- Reminder that SFSP participants utilizing USDA Foods will be spending their entitlement in FFAVORS for fresh fruits and vegetables.
- Applications that are approved by TDA will receive a communication from the USDA Foods team over next steps.
- Must have active district set up in FFAVORS to participate.
- Fund will become available based on your approved contract start date.

Inventory Updates

Processing Accounts

Check your processing account balances online. Routinely checking balances can ensure pounds are being drawn down properly, credit for USDA value has been applied, transfers posted, and correct end products are being ordered.

Annual Transfer Exercise

As of April 30, processing transfer opportunities have concluded.

Processor Inventory Dashboard

The Processor Inventory Dashboard has been updated and a tab added with a chart for poultry proportional rates.

Thank you!
