Will FSMC representatives be granted access to TANS?

Yes, FSMC representatives can be granted view-only access to TANS. They will not have the ability to create, modify, submit, or take any other actions in the system.

Will my organization or site IDs change?

Organization IDs (formerly CE ID) will not change. Organizations active in TX-UNPS at the time of the transition will have their Organization ID migrated over, so they will see no change to their Organization ID.

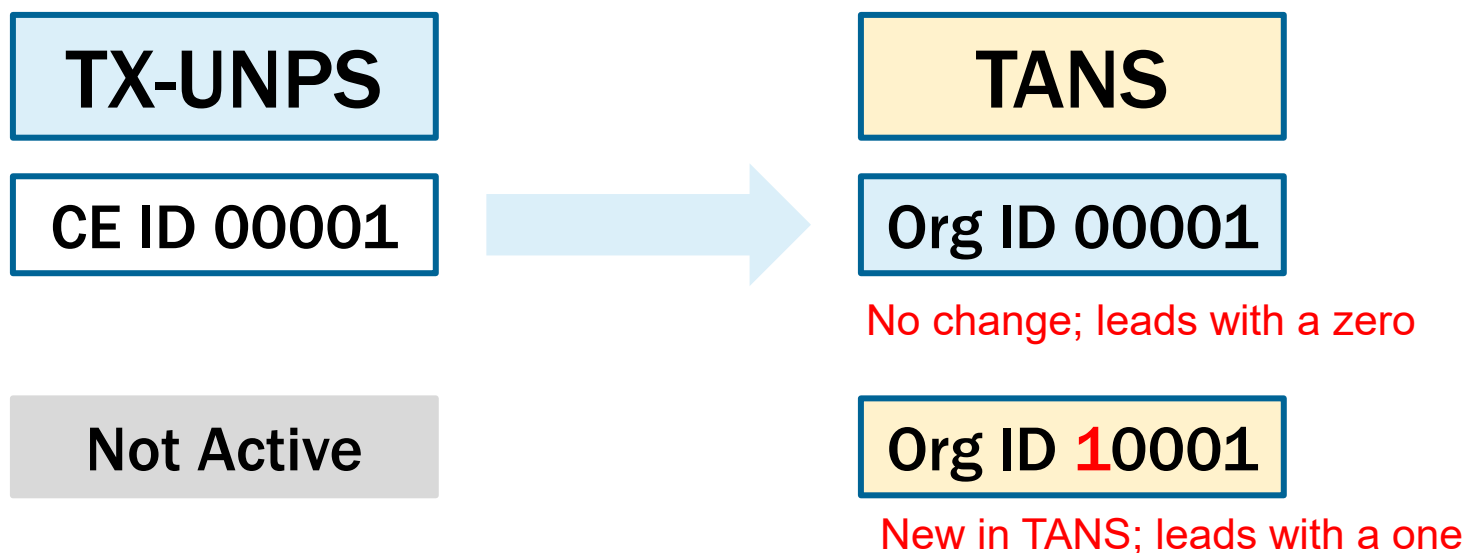

For organizations that had no active profile in TX-UNPS at the time of the transition, new Organization IDs will be assigned. These new TANS Organization IDs will be 5-digit IDs beginning with a 1.

Will my organization or site IDs change?

Site IDs will change for all sites. When any site is established in TANS, during or after the transition, it is automatically assigned a unique, sequential identification number. When active TX-UNPS sites are established in TANS, they will receive a new system identification number.

The legacy TX-UNPS Site ID numbers will be added to TANS as a reference field and will be pre-populated. TEA school ID will be added as a TANS reference field and will not be pre-populated.

Will TDA migrate my organization's information from TX-UNPS to TANS?

TDA plans to migrate key foundational data:

- user credentials & security roles
- basic organization data – organization name, id, region(s), EIN
- basic site data – site name, site address

- basic organization data – organization name, id, region(s), EIN
- basic site data – site name, site address
- data needed to complete calculations or track compliance
 - Severe Need Breakfast & Two-Cent Differential Lunch eligibility
 - CEP and Provision 2 eligibility and claiming rates
 - Area eligibility
 - Day Care Home Tier 1 eligibility
 - Serious deficiency tracking
 - Pre-approval site visit dates

Sponsors should be prepared to enter most data in the first program year.
After the first year, most application data will rollover on application renewal.

What documents and data does my organization need to be sure we have copies of outside of TX-UNPS?

To determine which documents or data must be maintained or saved for your organization to meet retention requirements, refer to the records retention guidance found in each respective program handbook.

Program handbooks are the most appropriate source for what types of documents need to be retained and for how long. The transition to a new system does not override record retention requirements.

As a part of these records retention requirements, organizations continue to be expected to retain copies of all necessary documents within their organization's local records. This means that the relevant files should be stored outside of TX-UNPS or any other TDA system. **TX-UNPS and TANS should not be your system for records retention.**

How long will I be able to access my data in TX-UNPS?

All users will maintain access to TX-UNPS until the system is retired. Because NSLP, CACFP, and summer programs will complete program year 2026 in TX-UNPS, users can expect to retain access to the system at least through this period.

To help support a longer transition period, access will remain for users even if their organization is not participating in these programs.

TDA will be able to share a concrete end date for TX-UNPS access very soon. We understand this is a key piece of planning your organization's transition.

Check the TANS SquareMeals page and attend our TANS Talks to stay updated on this topic.

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at: <https://www.usda.gov/sites/default/files/documents/ad-3027.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

1. mail:

U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410; or
