You can be a part of a growing enterprise at the _____ garden. All it takes is a desire to connect children to good nutrition and agriculture using a simple garden. Background gardening knowledge is not required.

Produce from the garden will be used in meals, snacks and taste testing to increase children's willingness to try and eat fruits and vegetables. Please join us in this worthwhile endeavor as we help kids build strong, sustainable connections to local food.

Reply directly to this email with your contact information and indicate your interest in the following activities:

- ❖ Watering: Visit the garden two times each week, on assigned days, to water all plants.
- ❖ Planting: This is a one-time commitment at the beginning of a new season to help plant the garden.
- ❖ Weeding: Visit the garden one time per week, on assigned days, removing all plants identified as weeds.
- ❖ Spread mulch: This is a one-time commitment at the beginning of summer or immediately after planting to help spread mulch over garden beds.
- ❖ Material donation: Provide mulch, compost, seeds, garden tools or financial support
