Procedure

HACCP

The National Food Service Management Institute (NFSMI) has developed a comprehensive, self-instructional training resource titled, Developing a Food Safety Program. This resource has been created to assist schools in developing a food safety program that includes HACCP principles. The training resource contains the following:

- Developing a Food Safety Program Participant Workbook;
- Template for Developing a School Food Safety Program;
- Food Safety Standard Operating Procedures; and
- Developing a School Food Safety Program Using the Process Approach DVD.

You may obtain a copy of these resources by accessing the Texas Department of Agriculture (TDA) website at www.snptexas.org, select “Continue to SNPTexas.org” and click on “Program Resources” in the menu on the left hand side of the page. On the Program Resources page, click on “Schools (NSLP/SBP, SFSP, SMP, After-School),” then select “HACCP Implementation Resources.

Wellness Policy

The National Alliance for Nutrition and Activity (NANA) has developed a set of model wellness policies for schools to use to assist in the development of their local wellness policy. This model wellness policy can be downloaded from the School Wellness Policy website at http://www.schoolwellnesspolicies.org/.

Schools may choose to use the model wellness policy as written or revise it as needed to meet local needs and reflect community priorities.
